# Easy Edge Installation and Application Guide

Easy Edge Strip and Locking Pin

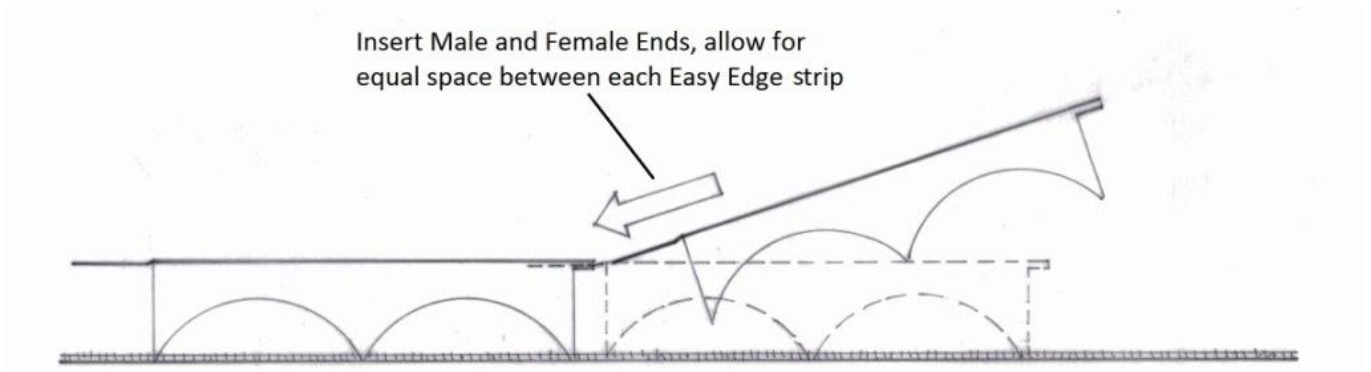

## How to install

### Step 1

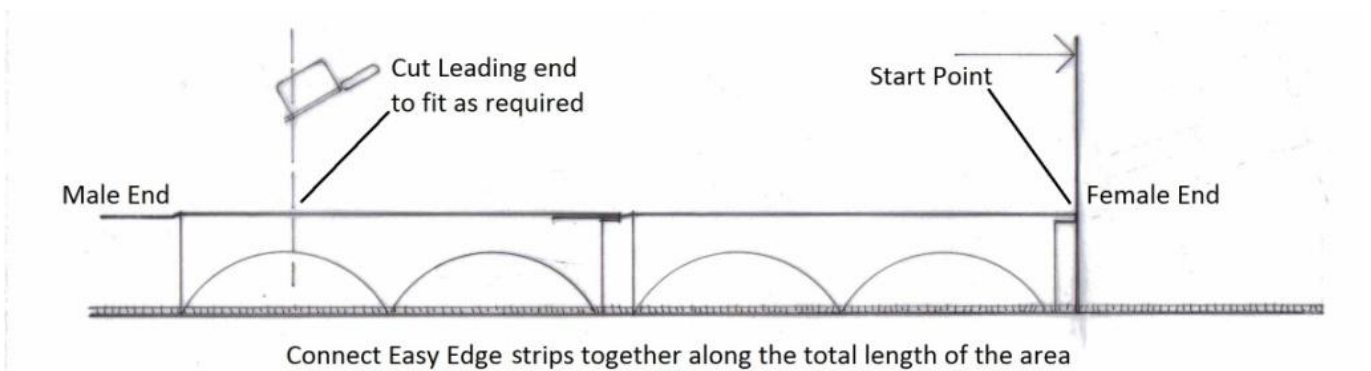

# Easy Edge Installation and Application Guide

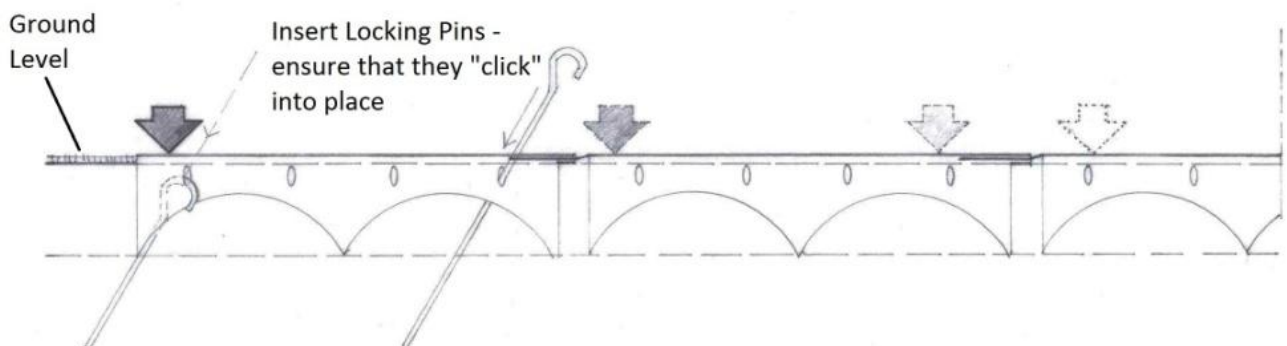

## Step 2

## Step 3

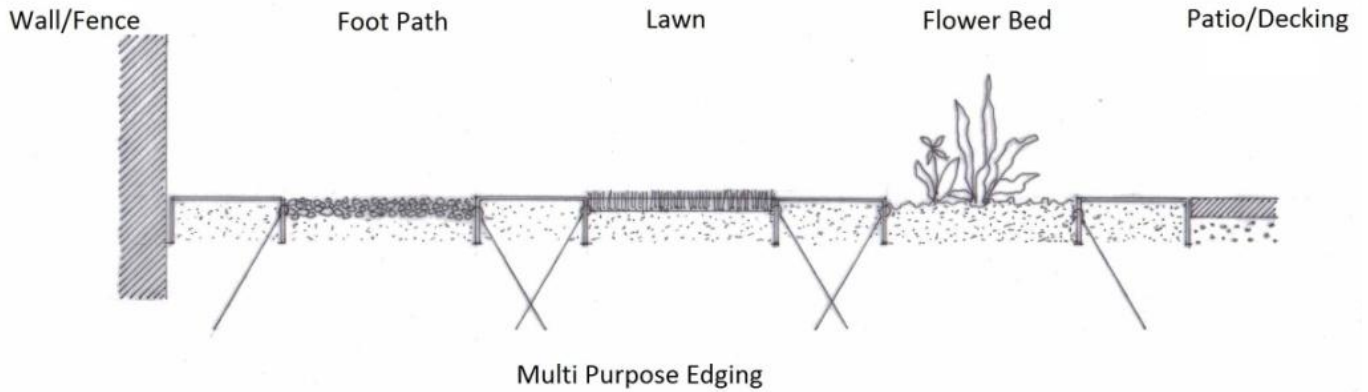

## Step 4

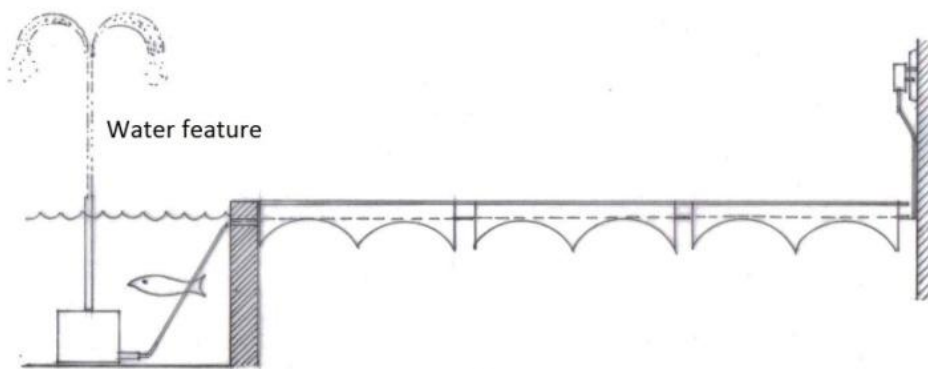

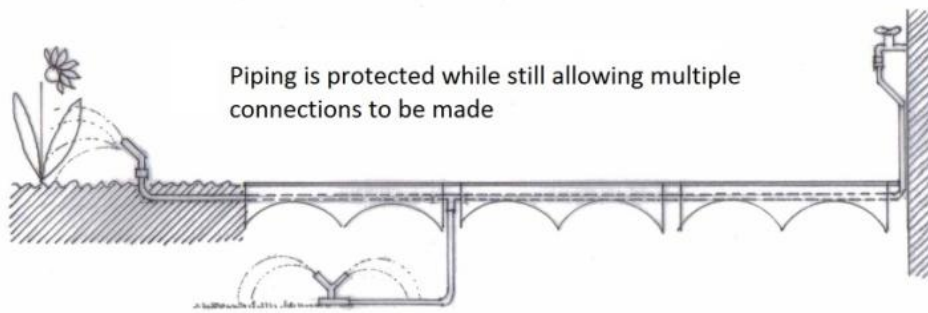

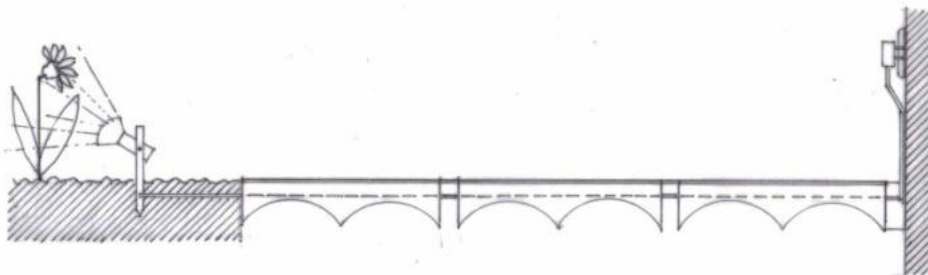

Once the Easy Edge strips are all connected and aligned to the lawn/garden edge - begin inserting the Easy Edges strips into the soil working from one end to the other. When all Easy Edge strips are level with the ground insert locking pins ensuring that they "click" into position
